Re: Recent Conversations re file No. M/049/009

Dear Tom;

This letter is written to resolve the discrepancies discussed this morning regarding the acreage listings regarding the transfer of file No. M/049/009 Large Mining Operation Operating Permit and Reclamation Contract to Tintic Utah Metals, LLC. I have revised the attached table to correspond as best I can determine to filed documents. I have also referenced where the numbers came from and provided a copy of the referenced document. Also included is a photocopy of the Goshen quad showing the location of the settling ponds.

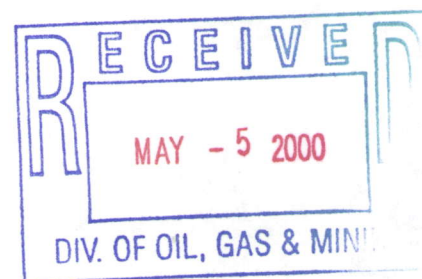

Thank you in advance for your cooperation. If I can answer any questions or provide further information, please feel free to contact me. Hopefully we will be able to lay this matter to rest.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tom'.
